

Randolph Associates, Inc.

Associate Profiles

Heather Memmelaar Associate / Auditor

Education:

- Heather received her B. A. in Biology from Willamette University.

Certifications:

- SQF Certified

Background:

- Heather has over 15 years experience in the food industry in the areas of Quality Assurance, Food Safety and Laboratory Procedures.

Areas of Expertise:

- Quality Assurance
- Auditing
- Food Safety Programs
- Laboratory and QA Training
- Interim QA Management

Testimonials:

"This was the first time that I felt comfortable throughout an inspection. You (*Heather*) were very quick to the point yet managed to educate instead of just doing your job." – John S.
